At Banner Health, we want to empower everyone to be their best self, and we believe a focus on well-being will help pave the way. Your benefits are a critical part of our well-being mission. Whenever and wherever possible, we strive to keep your costs affordable while providing the best possible value and benefit.

ELIGIBILITY

You are eligible to enroll in benefits when you are hired as a regular* full-time** or part-time team member assigned a total FTE (full-time equivalent) of 50% or greater.

You may enroll dependents:

- Spouse (same or opposite sex)
- Common Law Partners (if applicable)
- Domestic Partners

- Children up to age 26
- Disabled children over age 26
Documentation will be required to verify eligibility of your dependents.

**Regular is a team member type in the Banner Health MyHR System.*

*** Full-time premiums apply to a 70% FTE or greater (equivalent to 28 scheduled hours per week in MyHR/Workday).*

MEDICAL

Banner offers three medical plan options through **Banner|Aetna**.

Banner Value Plan

The Value Plan gives team members a truly low-cost option with low premiums and higher deductibles. This plan is paired with a Health Savings Account (HSA) that lets you set aside pre-tax money for eligible medical expenses.

Banner Premier Plan

The Premier Plan has low-cost premiums and mid-tier deductibles that are lower than our Value Plan. This plan is paired with an HSA, which helps you save money for eligible medical expenses on a pre-tax basis. Banner contributes funds to the Premier Plan HSA each pay period. Single employee coverage receive \$450 per year. Those with greater than single coverage receive \$900 a year in HSA contributions. This is spread over the year on a per-pay period basis. HSA contributions for new hires are pro-rated.

**The Value Plan has an embedded deductible of \$3,300 as defined by the IRS.*

Banner Choice Plus Plan

The Choice Plus Plan offers defined copays, lower deductibles (or even no deductibles) but higher premiums. We encourage you to select a Primary Care Physician, but it is not a requirement. You will not be required to obtain a PCP referral to see a specialist! This plan doesn't qualify for an HSA; you may elect a Health Care Flexible Spending Account.

DENTAL

Banner provides three dental options through **Cigna Dental**.

Comprehensive Dental Plan

This dental health maintenance organization (DHMO) plan has the lowest premiums, no deductibles and no annual maximums. You pay a flat copay amount based on the covered service, including orthodontia. You must select a general dentist from the DHMO network who will refer you to dental specialists as needed. There is no coverage for care from non-DHMO providers.

(This plan is only offered based on the availability of network providers near your home zip code. If you move out of the network area, you will need to change plans.)

Value Dental Plan

This dental preferred provider option (DPPO) plan has deductibles for most services, and you pay a percentage of the costs for covered services. You may go to any dentist; however, you will receive discounted rates at a DPPO

network provider. This plan does not include orthodontia coverage.

Premier Dental Plan

This DPPO plan has the highest premiums but offers the most coverage. It is similar to the Value Dental Plan, but also includes coverage for orthodontia and has higher annual maximums.

Cost: Shared between you and Banner.

PRE-TAX SAVINGS

Flexible Spending Accounts (FSAs)

Banner offers our team members two FSAs administered by **HealthEquity**: a Health Care Flexible Spending Account and a Dependent Care Flexible Spending Account. These FSAs let you set aside money for health care or dependent care expenses on a per paycheck basis. This reduces your taxable income, which lowers the amount of federal and state taxes withheld from each paycheck.

You can enroll if you aren't enrolled in a Banner medical plan or if you are not enrolled in the Value or Premier high deductible plans.

Health Care FSA

You can save up to \$3,200 per year in a Health Care Flexible Spending Account, which is spread out evenly over the pay periods in the plan year.

Dependent Care FSA

You can save up to \$5,000 per year in a spread out evenly over the remaining pay Dependent Care Flex Spending Account, which periods in the plan year from when you enroll.

Health Savings Account (HSA)

Banner offers an HSA administered by **HealthEquity** to help cover costs of qualified health care expenses. Contributions are pre-tax, and it is your personal account to use now and in the future.

Banner will contribute \$450 for individual coverage or \$900 for family coverage to those enrolled in Premier Plan. Contributions are made on a per-paycheck basis.

You're eligible to fund an HSA if you're enrolled in the Banner Health Value or Premier high-deductible health plans. If you're enrolled in Medicare or any other health plan beside a qualified HDHP, you are not allowed to enroll in HSA
